

**ANNUAL REPORT
ENDING 31 MARCH 2018**

PRESIDENT'S OPENING ADDRESS

2017 was a stellar year for Singapore Squash with our best showing at the SEA Games in over twenty years, garnering 3 Gold medals, 2 Silver and 5 Bronzes

Our Men's team comprising, Benedict Chan, Pang Ka Hoe, Samuel Kang and Vivian Rhamanan, captured a historic Gold medal in the 29th SEA Games held in Kuala Lumpur, Malaysia from 21st - 29th August, beating the Philippines in the Finals and wresting the title from Malaysia which has won every SEA Games Men's Team Gold medal since 1997.

The Women's team backed this up with a solid Silver medal in the Women's event with Au Yeong Wai Yhann, Mao Shi Hui, Pamela Chua and Sneha Sivakumar, putting on strong performances throughout the tournament.

Both our Men's and Ladies' pairs of Samuel Kang/Vivian Rhamanan and Mao Shi Hui/Sherilyn Yang won the Gold medals in our pet event, the Jumbo Doubles.

In International Doubles, our men's team of Pang Ka Hoe and Timothy Leong, playing in this event for the first time, sneaked a surprise Silver much to everyone's delight.

In the crucial 19th Asian Squash Team Championships, our men's team of Vivian Rhamanan, Samuel Kang, Timothy Leong and Benedict Chan, upset the formbooks and seedings to finish 6th, a feat that qualified the team to take part in the 2018 Asian Games for the first time.

On the international stage, we also have more players with professional rankings than ever before:

Chua Man Chin – 275
Timothy Leong – 298
Chua Man Tong – 384
Vivian Rhamanan – 398
Aaron Liang – 482

Au Yeong Wai Yhann – 122
Sneha Sivakumar – 161
Nikki Pang – 240

Congratulations are in order for Au Yeong Wai Yhann who captured her first Women's Title at the 2018 National Squash Championships.

Congratulations also to Sneha Sivakumar who our first ever Squash SPEX scholar which qualifies her for separate funding of \$87,000 from SportSG for her training, over and above what SGSQUASH receives for its annual grants which for FY18, increased to \$448,629. She has continued to blossom with SGSQUASH, achieving impressive results from the World Junior Championships and other tournaments.

Despite the increased funding we received, SGSQUASH still needs to constantly raise funds for its programmes to bring squash to the masses, tournaments to expose our players to frequent match plays and enhanced coaching experiences with more coaches and sparring partners.

For the period April 2017 – End July 2018, we managed to raise over \$160,000 of which we have the following sponsors to thank for their commitment and passion to Singapore Squash:

- Dr Tay Miah Hiang - **\$30K** Singapore Junior Open 2017 and **\$30K** Singapore Junior Open 2018
- TECHNOFORM - **\$30K** Lion City 2018, **\$7.5K** World Junior Championships 2018 and **\$20K** Mini Squash
- MARIGOLD - **\$50K** for training and preparations for SEA Games 2017
- LEXIAN Electronics - **\$12.5K** Singapore Closed Jumbo Doubles

On a final note I wish to place on record my thanks to the administrative and coaching teams at SGSquash:

Benson Seow our General Manager who holds everything together and tackles and solves a thousand problems at any one time, assisted by Jaaziel

Allan Soyza our Technical Director for his vision, commitment and drive to bring Singapore Squash to ever greater levels.

Coaches Timothy Arnold, Matthew Wong and Timothy Leong.

And lastly, to my committee members, for without your help and shared love of our sport we could not achieve what we have.

Dr. Woffles Wu

PROGRAMS

Adult Training Programme (ATP)

The Adult Training Programme is held 3 nights a week, Monday, Wednesday and Friday, from 8pm to 10pm.

Community Outreach

Partnered with GLYPH

GLYPH is a non-governmental organization, with a program aimed at under-privileged youths, making holistic education affordable and available to them. They organize activities for the children to take part in, in order to learn new skills, whether in sports, arts or other life-skills.

SGSquash has partnered with GLYPH, organizing the first cycle of a mini-squash program which included 18 children. This program was funded by TECHNOFORM, allowing us to provide the classes to the children at no cost to them or GLYPH.

We intend to extend this program, organizing a second cycle, comprising of 8 children from GLYPH, and a further 10 children from the public who will be self-funded. Plans are also in place to approach similar organizations to reach out to more children.

World Squash Day 2018

In conjunction with World Squash Day on the 13th of October and the 5th Senior Circuit, SGSquash has planned a fundraiser to be held from the 10th to the 14th of October. All funds will be used to help fund the above community outreach project, providing under-privileged children with opportunities to pick up mini-squash.
